

# Lilly Golden, MBA, CCIM

## *President, Evergreen Commercial Realty*

### **Current Responsibilities**

Lilly Golden is the President and Founder of Evergreen Commercial Realty and oversees all aspects of the company. Lilly has 30 years of commercial real estate experience and has the admirable reputation in Houston as a distinguished expert in her field. Evergreen is known for providing excellent customer service, successfully leasing complex projects, and consistently exceeding client's expectations. Lilly thrives on building long term business relationships and finding creative solutions for optimizing real estate assets.

Lilly has been recognized this year by Bisnow as One of Houston's Most Influential Women in Commercial Real Estate. She has earned the designation of a Certified Commercial Investment Member, CCIM, is a board member of The Site Source National Retail Broker Network, the Houston chairperson for the International Council of Shopping Centers, and a member of Commercial Real Estate Women and the Urban Land Institute.

### **Experience**

Lilly started her career at IBM as a Systems Engineer in Chicago. After completing her MBA at the University of Chicago, she joined Jones Lang LaSalle and focused on both office and retail leasing before moving to Houston in 1993. After working for Trammell Crow, Wulfe & Co. and Moody Rabin, Lilly formed Evergreen Commercial Realty in 2005.

### **Education**

Bachelor of Science | Engineering | The University of Michigan  
Master of Business Administration | Finance | The University of Chicago

### **Awards**

Houston Business Journal Heavy Hitters (2012, 2015, 2017, 2018)
